

Indian Army WWI deaths in England

Table of information from IOR and CWGC database.

Compiled by Rachel Hasted 17.7.2014

Information is taken from the following sources:

British Library IOR/L/MIL/195-8 Nominal Roll of deaths of Indian Officers, N.C.O's (*sic*) and Men (*at the Indian Hospitals in England and hospital ships unloading there*), dated 29.7.1916. **Abbrev: Nom Roll**

(NB. These do not include the nominal roll entries for all the Brighton Hospitals and is therefore incomplete. These lists were provided by English clerks at depots and the spelling of Indian names is pretty random. There are some mistakes in other data as well, but less.)

Commonwealth War Graves Commission online searchable database at <http://www.cwgc.org/find-war-dead.aspx> **Abbrev: CWGC**

(NB the CWGC version of the name and rank is given where this diverges from the Nominal Roll.)

Commemoration:

Neuve-Chappelle – N-C

Hollybrook, Southampton - HS

Brookwood Military Cemetery - BMC
